This is the second book that the LORD had me read as He was getting a hold on my heart - although I think the title was simply "The Holy Spirit" (it was an old book). I found it on the top shelf of the pastors library - way in the corner. I had to stand on his desk to get to it. After reading it I left it on his desk with a note that read "Is this stuff for real? Is it ok to be reading such things?" His reply was that he had preached on the Holy Spirit several months back.

The first book that arrested my attention was "The Divine Conquest" by A.W. Tozer.

The best book of all is the Bible - Our LORD's wonderful living Word.

A wonderful book, I read it, too.

â€œThe Divine Conquestâ€ by A. W. Tozer is also published under the title â€œGodâ€™s Pursuit of Man.â€
