Android and Apple app for SermonIndex - posted by sermonindex (), on: 2018/10/24 6:08

Saints,

Many I am sure are not aware of this we have an app for both platforms, one is a video app and one is a sermon app:

android video app: <https://play.google.com/store/apps/details?id=createanappforfree.videosermons>

this is our sermon app on apple: <https://subsplash.com/sermonindex/app>

Do leave a rating on either one you download and use.
