If you type Jude in the Sermonindex search you will find several sermons...Chuck Missler, AW Tozer, and more.

I know that because I looked for this sermon by Richard Owen Roberts that I had heard before. I listened to this shortly after I had done an inductive study of Jude. It gave a different perspective... not wrong nor better than what I had gleaned, just different. I love how God's Word is like that.

Though I have not listened to these verse by verse audios on Jude by Zac Poonen and Steve Gregg, I'd recommend them due to their solid Bible teaching ministries:

Zac Poonen:

Steve Gregg:

Also brother, these are my favorite free online verse by verse Bible commentaries which I sometimes consult:

Adam Clarke:

Matthew Henry:
