The 10 Point Plan - posted by savannah, on: 2019/2/15 8:14

POINT #1: TAKE GOD AND PRAYER OUT OF THE EDUCATION SYSTEM

Change curriculum to ensure that children are freed from the bondage of Christian culture. Why? Because children go to school to be equipped to face life, they are willing to trust and they are willing to value what is being given to them. If you take God out of education, they will unconsciously form a resolve that God is not necessary to face life. They will focus on those things the school counts them worthy to be passed on and they will look at God as an additional, if one can afford the additional.

POINT #2: REDUCE PARENTAL AUTHORITY OVER THE CHILDREN

Break the communication between parent and child.

(Why?) So that parents do not pass on their Christian traditions to their children, liberate children from the bondage of their parent's traditions.

POINT #3: DESTROY THE JUDEO-CHRISTIAN FAMILY STRUCTURE OR THE TRADITIONAL CHRISTIAN FAMILY STRUCTURE

Liberate the people from the confines of this structure. It is oppressive and the family is the core of the nation. If you break the family, you break the nation.

(Why?) So that the youth will not grow up with a sense of belonging, identity or structure.

(How?) a) Promote sexual promiscuity free young people to the concept of premarital sex, let them have free sex, lift it so high that the joy of enjoying it (sex) is the highest joy in life, fantasize it, that everybody will feel proud to be seen to be sexually active, even those outside of marriage.

b) Use advertising industry, media T.V., magazines, film industry to promote sexual enjoyment as the highest pleasure in humanity. (Propaganda)

POINT #4: IF SEX IS FREE, THEN MAKE ABORTION LEGAL AND MAKE IT EASY

Build clinics for abortion and put health clinics in schools. If people are going to enjoy the joy of sexual relationships, they need to be free of unnecessary fears. In other words, they should not be hampered by unwanted pregnancies and diseases.

"Abortion as told by Christians is oppressive and denies our rights, we have a right to choose whether we want to have a child or not. If a woman does not want the pregnancy, she should have the freedom to get rid of that pregnancy in the easiest and painless way possible. Besides, if you carry the unwanted pregnancy, then give them up for adoption, that system is so unkind to them - so just get rid of them and spare them that life and the hindering of yours."

POINT #5: MAKE DIVORCE EASY AND LEGAL, FREE PEOPLE FROM THE CONCEPT OF MARRIAGE FOR LIFE.

Love has got a mysterious link called the love bond. It is like an ovum that comes out of the ovary, as it travels through your system, it clicks a love favor in you and there's one other person in the world who can respond to that love bond, when you see that person, everything within you clicks, that is your man/woman, if you miss him, you'll never be happy until that love bond cycles past, for many years, so for you to be happy get that person at whatever cost. If it means getting him/her out of that marriage, get him/her that is your man/woman. It's a mistake for him/her to be elsewhere. And if you go together for sometime and find that love has died, don't be held in bondage by the

Christian values. It will never come back, what you need is an easily arranged divorce and allow another love bond to come forth, just like an ovum comes up, and when it comes forth you'll enjoy life again.

Why? So the youth will not feel they must stay tied down to one person. This will also promote multiple sex partners. We must be free to enjoy life, not tied to one person for eternity. This will also produce broken homes and possibly broken children who will carry the brokenness forward.

How: Degrade the value of marriage over time. Decrease the difficulty of getting a divorce by advertising divorce law and making it an easy and understandable process to obtain one.

POINT #6: MAKE HOMOSEXUALITY AN ALTERNATIVE LIFESTYLE

Enjoying sexual intercourse is the highest pleasure in humanity. No one must be denied or restricted in how to enjoy themselves. People should be allowed to experience sex however they want, whether it is homosexuality, incest or bestiality, as long as the two agree.

WHY: to demolish the restraint of tradition that establishes sex between a man and woman, to further the agenda of population control, to abolish creation roles and to incorporate the satanic mantra "do what thou wilt"

HOW: Preach tolerance and acceptance. Give the homosexuals a voice in numbers, as the numbers grow: tolerance and acceptance will too. Pass laws and implement legislation that legalizes gay marriage and shuns "hate speech". Silence the voice of the preacher in the pulpit through 501c3. Put it everywhere it is now forbidden: on tv, on billboards, in church. Advertise it! Encourage foods that increase estrogens in males (like soy). Males will no longer grow to be strong fathers in a traditional home as they will have no desire to be.

POINT #7: DEBASE ART, MAKE IT RUN MAD

The arts are one of the primary keys to changing culture.

WHY? To break down social norms of what is acceptable and forbidden. To encourage creative expression of self outwardly and inwardly in whatever way is pleasing to the individual. To corrupt the minds of the youth into accepting what was once forbidden as normal.

HOW? Promote new forms of art which will corrupt and defile the imagination of people because art is the language of the spirit, that which is inside, you can bring it out in painting, music, drama etc.

Note: Look at the quality, spirituality and message of the art, music and the films that are coming out present day and think about how that has changed drastically (and in provocative ways) throughout history.

POINT #8: USE MEDIA TO PROMOTE AND CHANGE MINDSET

The greatest way to change human attitude is media.

WHY: To foster groupthink around normalizing deviant behavior; to encourage pleasure over social norms.

HOW: Use the press, the radio, T.V, cinema, any form of public media to influence people in the way you want them to think! Break up the traditional home by using media to encourage females to be independent and to "have their own" or to "not need a man". This will further deteriorate the traditional "long-term" family structure.

Note: So much money is pumped into media and advertising and the spreading of violence, pornographic material and other sources. Sex outside of marriage is thrown in your face 80-90 times more than sex in marriage through media. Promiscuity is being promoted as natural, you watch gay sex on T.V. in homes where children's minds (and yours) are being neutralized to sensitivity to these things. Everything is promoted in a sensual way, even pine sol is advertised on tv by using sex! So those who believe it is just art, it is art, but with an agenda!

POINT #9: CREATE AN INTERFAITH MOVEMENT

Promote other faiths to be at par with Christianity, and break this thing about Christianity as being the only way to

heaven, by that Christianity will be pulled down and other faiths promoted.â€•

WHY: To increase the levels of tolerance & acceptance among man that all religions are equal thereby promoting a false peace; to employ the thought that all religions/spirituality lead to God.

HOW: promote the importance of man in determining his own future and destinyâ€• â€•“ HUMANISM. â€œTell man he has the right to choose what he wants to be and he can make it happen, he has the right to determine his cause.â€•

POINT #10: GET GOVERNMENTS TO MAKE ALL THESE LAW AND GET THE CHURCH TO ENDORSE THESE CHANGES.

The church must change its doctrine and accommodate the people by accepting these things and put them into its structures and systems.â€•

How?: mainly through the implementation of the points 1-9 and 501c3s. Convince people to grow numbers and the rest will come.

Have they succeeded?

Today, some may wonder why our governments are legislating laws contrary to the Bible and why the church is compromising the Word of God. It is the process of implementing This 10 Point Plan.

by Alice Bailey (1880 - 1949)

When Alice was a teenager in England she had been under the supervision of a mysterious man who had visited her in person twice. She described the first encounter with Master Koot Hoomi in her unfinished autobiography:

He told me there was some work that it was planned that I could do in the world but that it would entail my changing my disposition very considerably; I would have to give up being such an unpleasant little girl and must try and get some measure of self-control. My future usefulness to Him and to the world was dependent upon how I handled myself and the changes I could manage to make.

Many years later, after she had joined the Theosophical Society and lived in Krotona and the first time she went into the Shrine room of the Theosophical Lodge, she saw a portrait of this man on the wall and only then learned that his name was Master Koot Hoomi and that he was a member of the Spiritual Hierarchy. Her spontaneous recognition was viewed by some member of the Lodge as an effort to claim special status.â€• Baileyâ€™s relationship to the Theosophical Society suffered more strains when she claimed reception of new communications from Masters in the theosophical tradition.

In November 1919, as she was walking in the Hollywood Hills near Krotona, she said she was contacted by Djual Khul, known popularly as “The Tibetan”, who wanted her to serve as his amanuensis. He began dictating to her by means of telepathy and the first book produced in this manner, “Initiation: Human and Solar”, appeared in 1922; it was followed by others over the next thirty years.â€•

BUMP - FOR 2019 -

Re: - posted by docs (), on: 2019/3/7 14:55

Whoever came up with it it has worked pretty well.

Yes, it is all in getting used to the dark and after that embrace it and then promote it. It may take a while, but the devil does not care as long as he has you in his clutches - just hoping the victim is not aware of it.

Sandra said,

"It may take a while, but the devil does not care as long as he has you in his clutches - just hoping the victim is not aware of it."

America and many of her churches are in his clutches and aren't even aware of it.

What's worse is that they love it so.

As they wipe their mouth and say,

"What have we done wrong?"

"This is the way of an adulterous woman: She eats and wipes her mouth and says, 'I've done nothing wrong.' Proverbs 30:20

Edit: This seems like two unconnected posts. Savannah, what is the link?

In that regard, the attributed author could not have written this. She died 5 years before 501c3 status became available. Maybe a little research will reveal the true author.

Edit 2: The first section of text is from "The Tabernacle of David: The Key to Disciplining Communities and Nations" by Dr. T. A. Makoni.

I find it always good to remember that in spite of the abandonment of the gospel and the apostasy going on in many churches and denominations that God still has faithful witnesses and churches. True churches preaching and living the true gospel are everywhere in this land and the world even at this point. It's the Lord's doing. His hand is not so short as to not have this. Many many have not bowed the knee. This can bring encouragement even in this day.

Alice Bailey (1880 - 1949) wrote, or transcribed, many of the early books that founded the New Age movement. It's worth being reminded that when the Holy Spirit was sought and poured out that Satan readily had a counterfeit to seduce the masses.

I find the timing of this post interesting as I have been watching some testimonies of people saved out of the New Age.

EDIT: I saw this in the Wikipedia article and it seems to be common among those who fall into the occult.

"At the age of 22, Bailey did evangelical work in connection with the YMCA and the British Army. This took her to India

ia where, in 1907, she met her future husband Walter Evans. Together they moved to America where Evans became an Episcopalian priest. The marriage did not last and Bailey pushed for and received a divorce. She left with their three children after formal separation in 1915. Then followed a difficult period in which she worked in a sardine factory to support herself and the children.â€
