THE SUPREME LIE - I AM MY OWN SOURCE - posted by cup (), on: 2019/5/22 12:27

Think about that statement.

This is how Lucifer became the devil.

Here are the lies that come from that kind of thinking.

I am self sufficient.

I am independent of God.

I can be who I want to be.

The devil is the father of all lies.

When is the last time that you said I will do better next time? I will

LIES - just rotten dirty lies.
