With justin Welby joining together with the pope and the general state of the ecumenical movement joining with tje Catholic church has the reformation ended

To me as there can be no proper revival until we are removed from the Catholic church

Where are the so called reformed movement?

Where is the discernment in the church ?

You expect Justin Welby to have discernment?

**Re: - posted by deltadom (), on: 2019/7/9 2:56**

The reformation in England happened when the church of England split from the Catholic church now that they are joining together with every other denomination from Baptist to Pentecostal to Methodist group
