EXCITED ABOUT MY FUTURE!

Never would I ever regret,
Of leaving the world's glory,
Of the things highly esteem by mere men,
Who dare compare it to heav'nly joy!

Many people who knows my oldlife --
Can clearly spot the difference;
That the new Convicted me is changed,
Transformed by grace, mercy and love.

Sinful practices were my delight,
Now are they my scaredst hates,--
No more to Self, shame and slav'ry to fear,
The Holy Spirit hath liberate me!

I'm free to worship my Lord,
Walk in the realities of His truth,
In Spirit and by His rules, and law,
This is where I live and leap from.

No more confidence in the flesh,
But only relying on the Lord,
Believing and obeying His word,
I'm holding Jesus, never to leave Him.
