Welcome Craig!

Indeed there is much to draw from here. That the Lord Himself might draw you to what is necessary.

Let us know if we can be of any help along the way.

(<http://www.sermonindex.net/modules/mydownloads/singlefile.php?lid282>) 10 Sheckels and a Shirt by Paris Reidhead

May I ask you something - posted by Valadar (), on: 2005/8/15 4:45

Hi William, I have really enjoy some sermons especially David Wilkerson's not "every trial is a test" and "a capacity to be stirred"

I would like to ask you a question if you don't mind. Is it just me or have you ever felt in your heart a lack of something in your local church, what I mean do you feel a hunger, a thirst more more of our Lord and His power and of growing closer with our brothers and sisters in the Lord?

And should we always contend for the faith "which was once and for all delivered to the saints" (paraphrase)?

I am trully concerned, especially for my youth group of who or what they are listening to e.g. some people are listening to false prosperity doctrines and are believing that, that is from the Lord.

They accept everything it seems like that is mentioned in the name of our Lord Jesus

Am I just being too cautious, I would appreciate your perspective sometime

Bless you always in Jesus precious name
Craig

WELCOME Valadar Welcome to the club.

Hi Graig,

Sorry for the delay in posting, i was 4 days away. And i don't mind about asking me a question :-~) (You can always send me a PM if you like)

But first of all, i completely can speak with you, i do feel a lack and it does hurt at times, to see there isn't much a hunger for God.

I do believe that the people love The Lord, but maybe never got to know Him more intimately.

But it's sad to see that people believe and not question any doctrine, it's what we are called to do, because there are false doctrines.

1 Thes 5:21

"Test everything. Hold on to the good."

Welcome & Intro :: Hi everyone, just introducing my self

That you are concerned about it, is a good sign i believe, God will use you my brother, not all concern about it. This is a place where you can learn/share a lot about this matter, and God will work it in your heart.

you're first "mission" (or how ever you want to call it) is to stay close to The Lord, be an example in how your walk is with The Lord! So people around you will see that Christ is at work and becomes more visible in you!

1 Tim 4:12

"Don't let anyone look down on you because you are young, but set an example for the believers in speech, in life, in love, in faith and in purity."

The Lord will make you an example, you know *"inner purity results in outer power"*, you just stay close to Jesus, and He will use you in His time. I can speak with a little experience and that is that i could preach 4 times in church with a message that stirred the people to make changes.

Bro, please share more thoughts and things that God is working out in your life and feel free to ask question, because SI is rich in wisdom freely given in Grace by Our Master and Savior, our Lord Jesus Christ!

But for now we need to stay close to The Lord Himself and walk with Him!

So keep looking at Jesus....facedown!

in His Love!

William

Hi Graig!

Maybe you want to read this article, from Jesse Morrel, who is also a member on this forum (Lazarus1719)

(<http://www.sermonindex.net/modules/articles/index.php?viewarticle&aid13693>) The Gathering

This article came into my mind, when you spoke about your concerns for the youth.

So please read it and be encouraged and blessed, because it was a blessing to me :-)

Thank you brother in Christ - posted by Valadar (), on: 2005/8/16 7:02

William I just want to say thank you in Jesus our Lords name. Your words have really encouraged me, though I do feel the Lord still has a lot of work to in my heart. I just do want to love my brothers and sisters with the love of our Lord beating in my heart for them.

It is encouraging to find that there are other people who feel the same way, that there seems to be a definite measure of the Lord missing from some churches today.

Bless you fellow brother, look forward to meeting you in eternity, also please feel free to share your opinions about things with me

Yours forever in Christ
Craig :-)
