Brother Lawerence,

Great to have you on the site, I am glad you took the step to register. I hope you are enjoying the audio and text resources. Are there any sermons that have touched your heart in a special way? If you haven't heard it I recommend you do, this recording by Paris Reidhead: (<http://www.sermonindex.net/modules/mydownloads/visit.php?lid282>) Ten Sh ekels and a Shirt

I am looking forward to your continued participation on the site, if you are blessed tell others about this resource.
