Lazarus, Come Forth (Art Katz)

<http://www.sermonindex.net/modules/mydownloads/viewcat.php?cid=173> (6th msg from bottom)

is a strong message from the younger, more pugnacious Art Katz .. on the call to entombment with Christ, laying down " what you can do" for Him waiting on Him ~ in a tomb

This message is very radical and will call for an higher obedience to the life of Jesus Christ within.
