I found this little animated comic one day on a Korean website. It is so touching! My husband and I both choked up when we saw it. One thing is interesting about it- I sent it to some people I know and they didn't really "get it". They thought it was "nice". But I know why. They don't know what it's like to suffer for the sake of the cross- they have been taking the wide road.

Make sure your speakers are on! Also make sure you scroll up a tiny bit to catch the words at the bottom too. Enjoy!

Enjoy? Get yourself a box of paper tissues. My wife and I have just wept our way through this. Many thanks, Chanin
