I have been adding J. Vernon McGee sermons and will continue to do so over the next few weeks. He has an comprehensive through the bible series that almost covers every verse of the bible in detail. He is a very humble and godly man and I am excited to get these up for the SI saints.

You can access his materials here:

I have added 2 series so far:

Guidelines

Genesis (part of it)

stay tuned for more every day God willing.

"May the Lord richly bless you my beloved"

Wonderful! Still catch him most mornings on the way into work.

Yes. The heart of Through the bible radio is tremendous! what a heart to freely share the gospel and to see it go around the world! May God honour them abundantly.

I am still adding the "genesis" overview from this speaker. Keep checking back in the J. Vernon McGee section for more updates. I am hoping to get the entire through the bible over 800 expositional teachings in the next month or so God willing.
