I have a friend who lives in San Antonio, TX. and he is a very new believer and doesn't have any fellowship, does anyone know of a place of fellowship or meetings that he can attend? I am sorry for posting here but I don't see anywhere else to post a question like this. Thank you.

Hi trustchrist...

I attend school about three hours south of San Antonio. However, I have a good friend that lives in San Antonio. He and his wife attend a church there that they speak very highly of. If you like, I can let them know that your friend is interested in finding a local church.

:-)

Yea that would be great. You are sure it is a Christian church with hygenic doctrine? Thanks a lot for your reply, I have been checking all day. I will check again tomorrow, my name is casey and you can email me if you would like to with any information.
