Wow, it's great to see more of his sermons being added to the website. I am especially looking forward to listening to the one on soul winning. His messages on prayer have greatly impacted my prayer life. A year ago I heard him in person out in the panhandle of Oklahoma. The most incredible part of our time out there was the morning prayer times with Brother Gerhard. It was a beautiful time. He really is a man of prayer.

Brother Keith and Brother Gerhard attended Glenvar Bible school at the same time. Both men are mightily used of God. I pray God raises up young men to follow in their steps or rather in the steps of the Lord Jesus Christ for that is Who these men have followed.

I highly recommend Gerhard DuToit to those who have not listened to him before. :-)

Gerhard du Toit works with The Faith Mission in Canada, an interdenominational, international ministry. Originally from South Africa, he was brought up in the Dutch Reformed church and trained as an evangelist there. He has had extensive evangelistic experience in South Africa where his ministry is greatly appreciated. He has also been engaged in convention and evangelistic ministry in the British Isles. He has resided in Canada since 1987.

He is a coveted speaker in church-based conferences and crusades. His intense preaching style greatly inspires and moves the hearts of those who hear him preach. He is a powerful speaker with an authoritative, Biblical message and has been the means of bringing blessing to many people.

Gerhard has a deep burden to see a revival of praying men. Like Jeremiah, his heart burns for an elevated standard of godliness in our day.
