"Perhaps we should get near Patrick Henry's language this way: "Is life's span so dear and are home comforts so engrossing as to be purchased with my unfaithfulness and dry-eyed prayerlessness? At the final bar of God, shall the perishing millions accuse me of materialism coated with a few scripture verses?"

Forbid it, Almighty God! I know not what course others may take, but as for me, give me revival in my soul and in my church and in my nation— or GIVE ME DEATH." Leon Ravenhill

This is well worth the time! this message was delivered on 11-4-84.

Description: - Jesus comes into the temple at the feast of tabernacles and cried out to the lost leaders and lost people of the nation of Israel. The text used is mostly John 7:37. And he shows that America is in the same situation and needs Israel was.

"We got dead men, preaching dead sermons, to dead people, and unless we have Divine-intervention we are sunk"
-Leonard Ravenhill

"Christianity is the only religion I know of where its God comes and lives inside of Him."
