Regarding McLaren and and alarming issue... - posted by chadsepulveda (), on: 2006/2/1 13:54

Has anyone been keeping up with the Christianity Today blog concerning Brian McLaren and his views on homosexuality? I will let you read on for yourselves at <http://blog.christianitytoday.com/outofur/> .

Look at links on right for the blog. Quite alarming coming from a major leader in the emergent church movement.

Please post your comments and grief.
